WEB ORDER

The Purpose of Web Orders

-To facilitate the functionality of Orders by maximizing the expanded features of the internet and integrating this
with the capabilities of the Monitor Assignment System (MASS)

-MASS is a HQMC application that is used to assign Marines PCA/PCS Orders. This system is used by HQMC only

The Functionality Of Web Orders

-Capability to distribute full text Orders in a format that is printable from the internet to all designated recipients.

-Enhanced tracking capabilities to monitor the disposition of Orders at all times.

-Gives local MISSO authority to assign, update or delete Order Writing Authority activity access to Web Orders

-Gives Orders Writing Authority endorsement within the Web orders system.
